

**CITY OF LAREDO
UTILITIES DEPARTMENT**

Urgent News from "Tommy the Tank"

FOR IMMEDIATE RELEASE

Release Date: April 27, 2022

WHAT: Borrego Warehouse Project to Cause Traffic, Dust, Noise Inconvenience, and Interruption of Water Services

WHEN: Wednesday, April 27, 2022 from 5:00 p.m. to 10:00 p.m.

WHERE:

- Location of Work: 11901 Hayter Rd
- Traffic, Dust, and Noise Inconvenience: 11901 Hayter Rd
- Interruption of Water Services: 11905 Hayter Rd

WHY: Waterline connection

PROJECT: District 7 – Borrego Warehouse

ADDITIONAL INFORMATION: Waterworks Services of Laredo, a private contractor, will be doing a waterline connection at 11901 Hayter Rd. Work will cause temporary traffic, dust, and noise inconvenience at the location of work. Water services **will be** affected by this work at the location mentioned above.

Work will take approximately **five (5) hours**, for completion of work, weather permitting. Progress updates will be made available by the Utilities Department.

Motorists and pedestrians are cautioned to avoid the construction area completely and to take alternate routes, or to use extreme caution when traveling through the area. Residents are urged to adhere to all posted traffic control signs, digital message boards, and devices in order to provide safety to all citizens and minimize traffic congestion in the affected area.

CONTACT INFORMATION: For project information, **please contact Juan Vazquez from Waterworks Services of Laredo at (956) 949-0854.** To report any water or wastewater service problems, please contact the City of Laredo Utilities Emergency Call Center at (956) 721-2010, or call 3-1-1.
